Remarks

- Apart from the closure times listed above, please note the normal market closure times for each trading instrument.
- Additionally, during the periods outside the closure times mentioned above, the spread and price volatility during market openings and closings may increase. We recommend that you closely monitor your account and manage risks as necessary.

Should you have any urgent matters or require assistance during this period, please contact us before the holidays. We sincerely apologize for any inconvenience caused and thank you for your understanding.

Thank you for your continued support, and we wish you a pleasant holiday season.

Sincerely

Macro Markets
